City and County of San Francisco

Moderator

Dana Paz - International Partnering Institute

Join us to learn about

• how each agency has implemented partnering
• what works/what doesn’t
• what role you expect the CM to play in the partnering process

Partnering has become a staple in many public and private organizations, but how it is implemented can have a large effect on the success of the program. Our owner panel will discuss new techniques in partnering, what works and what doesn’t, lessons learned, and the CM’s role in partnering.
